TITAN-T97_{BP}

Industrial-grade Ruggedized Portable Computer Chassis
Designed for the Toughest Environments

Inspired by our broad ruggedized computing solutions for mission-critical applications, we are introducing our flag ship the Ruggedized Portable Computer T97.

Titan T97, is the flag-ship of the Titan series products, is cost effective and reliable. In addition to all the strengths of a T97, T97 offer a 20" active TFT LCD screen, providing users with larger display area for more information. Put it at the heart of your high-performance portable computer solutions. Designed for field and mobile applications!

Why choose Titan-T97 BP

- Extend ATX Platform
- 20" TFT LCD
- Standard PS2 Power supply
- Heavy Duty Aluminum chassis
- 14 full Length slots
- Full size mechanical key-switch keyboard
- 2x 5.25" open drive bay
- 4x 3.5" internal drive Bay
- 1x 3.5" open Drive Bay

Titan T97BP all metal Rugged portable computer with 14-slot Backplane and 20" High resolution LCD Display

Titan T97BP allows you to combine the latest in high-performance SBC and add-in special function boards with a large display into a system that is compact and extremely rugged. It offers a cost effective solution to performance demanding portable computing applications.

The Titan T97BP has the capability to accept a maximum of 14 expansion cards (including SBC) along with four 3½" Hard Disk Drives Bay, two 5¼" open Drive bay, one 3½" open drive bay, offering expansion capability unmatched by any other portable system. The all-aluminium Titan T97 chassis is the ideal solution for applications such as portable servers, network/communications testing, field data acquisition, remote field service, exploration, factory monitoring/automation, new technology demonstration, and much more.

1. Keyboard
2. Keyboard Latch
3. Silicon Rubber Conner Protector
4. Through hole for the power air-in
5. 3.5" open drive Bay
6. 5.25" Open Drive Bay

1. Handle
2. PS2 Power Supply
3. 3.5" internal HDD Bay
4. 14-slot backplane
5. System air out
6. Card Stabilizer

1. 14 slots
2. 3.5" internal HDD Bay
3. 5.25" Open Drive Bay

OEM

The Titan has a very large space inside the chassis, therefore it could be installed a lot of the customer equipment. We could modify or create the brackets for the equipment. Dual system or redundant power and UPS power are the most application for it.
